The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, contact Accolade customer service at **1-844-287-3859** or visit the BlueCross BlueShield of Illinois website at **www.bcbsil.com/statefarm**. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at https://www.healthcare.gov/sbc-glossary or call 1-844-287-3859 to request a copy. BlueCross BlueShield of Illinois is the Claim Administrator for the Plan.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	**$1,500** for member only coverage **$3,000** for member + one or more coverage; aggregate deductible	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members in this plan, the overall family deductible must be met before the plan begins to pay.
Are there services covered before you meet your deductible?	Yes. Preventive care is covered before you meet your deductible.	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible. See the summary plan description (SPD) for a list of covered preventive services under the section entitled "Preventive Care."
Are there other deductibles for specific services?	Yes. **$100** for each emergency room visit and **$100** for each non-notification of an inpatient hospitalization. There are no other specific deductibles.	You must pay all of the costs for these services up to the specific deductible amount before this plan begins to pay for these services.
What is the out-of-pocket limit for this plan?	For PPO providers: **$3,000** for member only coverage / **$6,000** for member + one or more coverage For non-PPO providers: **$5,000** for member only coverage / **$10,000** for member + one or more coverage	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, the overall family out-of-pocket limit must be met.
What is not included in the out-of-pocket limit?	The "other" deductibles, coinsurance for Non-PPO Providers for preventive care, premiums, balance billing charges, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out–of–pocket limit.
Will you pay less if you use a network provider?	Yes. See **www.bcbsil.com/statefarm** or call 1-844-287-3859 for a list of network providers.	This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services. The plan refers to network providers as "PPO-Providers" and out-of-network providers as "Non-PPO Providers."

Do you need a referral to see a specialist?	No.	You can see the specialist you choose without a referral.

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.

Note:
The State Farm Group Medical PPO Plan for United States Agents is a "grandfathered health plan" under the Patient Protection and Affordable Care Act (the Affordable Care Act). Being a grandfathered health plan means that the plan may not include certain consumer protections of the Affordable Care Act that apply to other plans, but must comply with other consumer protections in the Affordable Care Act.

Questions regarding which protections apply and which protections do not apply to a grandfathered health plan and what might cause a plan to lose its grandfathered health plan status can be directed to the State Farm Benefits Center at 1-866-935-4015. You may also contact the Employee Benefits Security Administration, U.S. Department of Labor at 1-866-444-3272 or www.dol.gov/ebsa/healthreform. This website has a table summarizing which protections do and do not apply to grandfathered health plans.

To see examples of how this plan might cover costs for a sample medical situation, see the next section.

About these Coverage Examples:

This is not a cost estimator. Treatments shown are just examples of how this plan might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your providers charge, and many other factors. Focus on the cost sharing amounts (deductibles, copayments and coinsurance) and excluded services under the plan. Use this information to compare the portion of costs you might pay under different health plans. Please note these coverage examples are based on self-only coverage.
