

Pharmacy Benefit Programs Drug List

Last updated 8/15/2025 (For 9/1/2025 Effective Date)

The following is a comprehensive list of medications included in our pharmacy benefit programs. Our pharmacy benefit programs range from those based on U.S. Food and Drug Administration (FDA) guidelines to innovative initiatives. We provide you with a wide range of programs that help to promote appropriate use, reduce costs, and ultimately, improve health status. Inclusion in this list does not indicate a drug is covered by a particular plan. Any drug may be subject to other requirements including but not limited to Exclude at Launch and or Review at Launch.

Medication Name	Therapeutic Use	Quantity Limit	Notification	Step Therapy [†]	Prior Authorization/ Medical Necessity	Designated Specialty Network	Permanent Exclusion [*]	Oxford Only [*]
Abbott Diabetic Meter	Diabetic supplies						Non-Formulary	
Abilify discmelt tablets	Mental health	x						
Abilify tablets	Mental health						Brand Only	
Abilify MyCite	Mental health	x			x
