

Preventive Medications Drug List

As of July 1, 2025

Preventive medications help keep you from getting certain health conditions or to keep them from coming back.

About this drug list

This is a list of preventive generic and brand-name medications that health care providers usually write prescriptions for.

- Medications are listed in alphabetical order (A-Z) by condition.
- Generic medications are listed in all lowercase letters and brand-name medications are listed in all CAPITAL letters.
- This drug list doesn't show the preventive medications that are covered at no cost-share (\$0) under the Patient Protection and Affordable Care Act (PPACA)'s preventive services coverage requirement.
- **The drug list is updated on a regular basis;** so, this document may not show all of the preventive generic and brand-name medications your plan covers. Also, your plan may not cover every medication on this list.

Log in to the myCigna® App¹ or **myCigna.com**® to see the most up-to-date list of medications your plan covers.

Your cost-share for preventive generic and brand-name medications

Not all plans have the same cost-share for preventive medications. For example, some plans may have you pay a copay, coinsurance and/or deductible; other plans may not.

Log in to the myCigna App or **myCigna.com** and use the Price a Medication tool to see how much your medication costs.²

Go generic and save

Ask your doctor if a generic preventive medication may be right for you. Generics work in the same way and provide the same clinical benefit as their brand-name versions, but often cost much less.³

Preventive Medications Drug List

Your plan may not cover all of the generic and brand-name medications and/or conditions in this list. Log in to the myCigna App or **myCigna.com**, or check your plan materials, to see which medications your plan covers and how much they cost to fill.

1. App/online store terms and mobile phone carrier/data charges apply. Customers under age 13 (and/or their parent/guardian) will not be able to register at myCigna.com.
2. Prices shown on myCigna are not guaranteed and coverage is subject to your plan terms and conditions. Visit myCigna for more information.
3. U.S. Food and Drug Administration (FDA) website, "Generic Drugs: Questions and Answers." Last updated 03/16/21. [fda.gov/drugs/questions-answers/generic-drugs-questions-answers](https://www.fda.gov/drugs/questions-answers/generic-drugs-questions-answers).

Para obtener ayuda en español llame al número en su tarjeta de Cigna Healthcare.

Cigna Healthcare reserves the right to make changes to this drug list without notice. Your plan may cover additional medications; please refer to your enrollment materials for details. Cigna Healthcare does not take responsibility for any medication decisions made by the doctor or pharmacist. Cigna Healthcare may receive payments from manufacturers of certain preferred brand medications, and in limited instances, certain non-preferred brand medications, that may or may not be shared with your plan depending on its arrangement with Cigna Healthcare. Depending upon plan design, market conditions, the extent to which manufacturer payments are shared with your plan and other factors as of the date of service, the preferred brand medication may or may not represent the lowest-cost brand medication within its class for you and/or your plan.

Health benefit plans vary, but in general to be eligible for coverage a drug must be approved by the Food and Drug Administration (FDA), prescribed by a health care professional, purchased from a licensed pharmacy and medically necessary. If your plan provides coverage for certain prescription drugs with no cost-share, you may be required to use an in-network pharmacy to fill the prescription. If you use a pharmacy that does not participate in your plan's network, your prescription may not be covered, or reimbursement may be limited by your plan's copayment, coinsurance or deductible requirements. Certain features described in this document may not be applicable to your specific health plan, and plan features may vary by location and plan type. Refer to your plan documents for costs and complete details of your plan's prescription drug coverage.

Cigna Healthcare products and services are provided exclusively by or through operating subsidiaries of The Cigna Group.

Discrimination is against the law.

Medical coverage

Cigna Healthcare complies with applicable Federal civil rights laws and does not discriminate on the basis of race, color, national origin, age, disability, or sex. Cigna Healthcare does not exclude people or treat them differently because of race, color, national origin, age, disability, or sex.

Cigna Healthcare:

- Provides free aids and services to people with disabilities to communicate effectively with us, such as:
 - Qualified sign language interpreters
 - Written information in other formats (large print, audio, accessible electronic formats, other formats)
- Provides free language services to people whose primary language is not English, such as:
 - Qualified interpreters
 - Information written in other languages

If you need these services, contact customer service at the toll-free number shown on your ID card, and ask a Customer Service Associate for assistance.

If you believe that Cigna Healthcare has failed to provide these services or discriminated in another way on the basis of race, color, national origin, age, disability, or sex, you can file a grievance by sending an email to **ACAGrievance@Cigna.com** or by writing to the following address:

Cigna Healthcare

Nondiscrimination Complaint Coordinator
P.O. Box 188016
Chattanooga, TN 37422

If you need assistance filing a written grievance, please call the number on the back of your ID card or send an email to **ACAGrievance@Cigna.com**. You can also file a civil rights complaint with the U.S. Department of Health and Human Services, Office for Civil Rights electronically through the Office for Civil Rights Complaint Portal, available at <https://ocrportal.hhs.gov/ocr/portal/lobby.jsf>, or by mail or phone at:

U.S. Department of Health and Human Services
