## Enhanced Plan (National Direct Drug List)

PreventiveRx covers drugs that may keep you healthy because they may prevent illness and other health conditions. You can get the products on this list at low or no cost to you depending on your benefit.

This list includes only prescription products. Brand-name drugs are listed with a first capital letter. Non-brand drugs (generics) are in lowercase letters.

Brand-name drugs that have a generic equivalent available are not covered under this PreventiveRx benefit.

Not all drugs on this list may be covered by your plan. Some drugs, such as those used for cosmetic purposes, may be excluded from your benefits. Please refer to your Certificate or Evidence of Coverage for coverage limitations and exclusions.

Please note: The drug list is subject to change and all previous versions of the drug list are no longer in effect.
